

Part II: Editing Your Class

2.2 Adding Content > Composing a Moodle Web Page > Inserting Web Links

What is this feature?

In this section, you will learn how to enhance your web page by inserting images and web links *throughout* the text. This way, students can see images or links to relevant websites within the context of your lecture notes or resources.

To insert a web link from your course’s homepage:

1	<p>CLICK on the name of the web page you want to enhance.</p>	
2	<p>CLICK “Update this Resource” (located in the upper right corner of the text box).</p>	
3	<p>HIGHLIGHT the text that you would like to use as a link.</p>
